Early Years Priorities 2018

**Striving for Excellence**
- Striving to deliver excellence in education and care
- Continually seeking opportunities to be better
- Finding ways to innovate and inspire
- Streamlining activities and processes

**Building Collaboration**
- Working as one Early Years team
- Collaborating to enhance quality, effectiveness and consistency across Early Years
- Displaying respect and embracing individual differences

**Embracing Change**
- Supporting colleagues and Early Years families through change
- Initiating and embracing change
