#### Action required

- If your manager has **less than 10** Individuals you will meet for regular informal one to one meetings to give and receive feedback (weekly, monthly or minimum quarterly.) You’ll also meet for the touch point (at least once in Jun-Aug).
- If your manager has **more than 10** Individuals or uses **delegates**, expect regular informal one to one meetings to give and receive feedback. The touch point meeting is also highly recommended (in Jun-Aug).
- **The touch point meeting is about progress, acknowledgement, appreciation and development.** It’s not an elaborate data gathering exercise but do come prepared to have a constructive, future focused discussion. This conversation may be completed as part of existing processes e.g. Promotion or Tenure Track Discussions, Career Development Committees, Probationary Meetings.
- You are encouraged to regularly gather feedback from other sources (360 input – see guide) to enhance the fairness and accuracy of myCareer.
